

## **What To Wear**

Here are some tips on what to wear for your rafting trips. Keep in mind that spring weather is unpredictable and that it's best to dress in layers. We have a full line of wetsuits, paddling jackets and pants and neoprene booties available for rent as well.

### **Summer**

Bathing suit/trunks

Nylon shorts

t-shirt

Old sneakers/river sandals

Sunscreen

Eyeglass retainer

### **Spring or Fall**

Bathing suit/trunks

Wool sweater or pile jacket

Wool or polypropylene socks

Wool hat

Wool or polypropylene gloves

### **Leave It At Home or In The Car:**

Remember, you don't want to take anything on the river that could be lost. This includes jewelry, car keys and money. We have a safe location for your keys while you are on the water and we also have waterproof cameras for sale so that you don't risk damaging or losing your own camera equipment.
